

	<p>VIVEK AGARWAL Assistant Professor Hindustan College of Science and Technology MATHURA-281122 Contact : +919634562830 Email : vivek.agrawal.hcst@sgei.org</p>	
Qualification	:	M.Tech (Instrumentation & Control System)
Department	:	Electrical & Electronics Engineering
Experience (Academics/Industry/Research)	:	9 Years
Research Interest	:	Control System
BTech Dissertation supervised	:	BTech : 2
Sponsored Research Project / Consultancy	:	If Any (Completed / On-Going)
Research Publications	:	Journal : 01 Conference : 01
Journals (SCI/SCOPUS) :		
<ul style="list-style-type: none"> Umesh Gupta, Sandeep Gupta, Vivek Agarwal "Power Quality Disturbance Recognition Using S – Transform" International journal of Electronics & Communication Technology (IJ CET) – Vol III, Issue III, July to Sep. 2012 		
Conference:		
<ul style="list-style-type: none"> V. Agarwal, M. Gupta, U. Gupta and R. Saraswat, "A Model Predictive Controller Using Multiple Linear Models for Continuous Stirred Tank Reactor (CSTR) and ITS Implementation Issue," <i>2014 Fourth International Conference on Communication Systems and Network Technologies</i>, Bhopal, 2014, pp. 1001-1005. doi: 10.1109/CSNT.2014. 		
Achievements		
Membership of Professional Bodies	:	CSI, IEEE
