Priyanka Gupta

Assistant Professor
Hindustan College of Science and Technology-
MATHURA-281122
Contact : +91-7906046234
Email : priyankagupta.hcst@sgei.org

Qualification	:	Pursuing Ph.D M.Tech(Computer Sci & Engg), B.Tech (Computer Sci & Engg)
Department	:	Computer Science and Engineering
Experience (Academics)	:	10 Years
Research Interest	:	Machine Learning, Deep Learning
B .Tech/M .Tech/ Dissertation supervised		B. Tech : 3.5 years
Research Publications	:	Conference: 4 international Conference. Book chapter : 2
Memberships Of Professional Bodies	:	

Conferences:

- **Priyanka Gupta,** Abhay Pratap Singh**, "**A Review of Ensemble methods used in AI Applications, *2nd International Conference On Cyber security And Evolutionary Data Engineering, 2022.* (Accepted)- **Scopus** Indexed.
- **Priyanka Gupta**, "Applications Of Deep Learning Methods In Agriculture: A Review", *Suresh Gyan Vihar University Journal of Climate change and water,* Vol. 8, pp. 14-29, ISSN 2347-7741, **2021**.
- Patent on IOT and Artificial Intelligent based smart farming system using cloud computing and wireless sensor network.

Achievements

- Certification in Deep Learning with Tensor Flow from IBM.
- Certification of Master Program in Artificial Intelligence Engineer from simplilearn
- Certification in Data Science with Python from simplilearn
- Certification in Introduction to Artificial Intelligence from simplilearn and LinkedIn.
- Certification in python and Machine Learning with Scikit-Learn from LinkedIn.
